To Whom It May Concern:

I am writing this letter to thank your company, Site Work Solutions, Inc., for a job well done on the City of Redding's Benton Airpark Drainage and Site Improvement Project from June 24, 2007, to July 9, 2007, as well as our Sacramento River Trail Extension Project from June 20, 2007, to February 8, 2008. During these construction projects, your company showed diligence and dedication to finish the projects on time and within our budgeted amounts.

The City of Redding would not hesitate to refer Site Work Solutions, Inc., to other organizations who are also in need of quality services from a contractor.

Sincerely,

A handwritten signature in cursive script that reads "Don Chilton".
