

CITY OF  
**ANDERSON**

March 8, 2011

To whom it may concern,

I am writing to recommend the services of Site Work Solutions, Inc. SWS has performed in excess of 2.5 million dollars worth of General Engineering Prime Contracting work over the past few years for the City of Anderson. Their knowledge and attention to detail have aided in keeping our major redevelopment capital improvement projects on track and on budget.

I feel confident in recommending Site Work Solutions, Inc., for any and all General Engineering Contracting Services. They are not only thorough, but also easy to work with, and always willing to take the time to discuss any concerns and respond to any questions.

If you have any further questions, please feel free to contact me.

Regards,

Jeff Kiser,  
Asst. City Manager
