Letter of Recommendation

3/30/11

TO: Whom it may concern

Please accept this letter of recommendation as my acknowledgment to the professionalism and above average workmanship that Site Work Solutions (SWS) performed on our ADA compliant walkway and site concrete project.

SWS was the lowest qualified bidder out of 15 contractors bidding on the project. This project was a \$153,000.00 dollar project that consisted of excavating, grading, concrete, paving, fencing, handrails and underground utilities, in which they performed on time and on budget.

I would recommend SWS as a very qualified contractor who works with their customers to achieve the best product that fits within your budget and time constraints.

Thank you,
